# FACULTY USERS

Jan – Dec 2021

Faculty Users by School/Entity

**N = 2660**

out of 3284 total research faculty\*

## Adoption by Faculty Engaged in Research\*

School	A&S	Divinity	Fuqua	Law	Nicholas	Pratt	Sanford	SOM	SON
% of faculty using MRH	83%	56%	66%	92%	88%	93%	98%	87%	95%

Career Stage	Senior	Mid Career	Early Career
% of faculty using MRH	90%	87%	83%

\*Faculty required to complete RCR Training.

# 2021 RELEASES

## NIH/NSF Updated Disclosure Requirements

- Revised OS/CP Tool incorporating appointment information and outside interests

## Proposal Workflow & Management

- Salary Approval request management tools in myApprovals and Proposals v2 tab

## Study Start-Up / Institutional Approval

- Project Tracker for industry funded clinical trials

## myResearch Path widget

# WORK IN-PROGRESS

## Updated Research Policies

- **Intent to Submit:** integrate I2S into proposal workflow and provide tools to help research administrators initiate proposals.
- **Proposal Intake & Tracking:** tools to help investigators and research administrators manage proposal development process (project personnel selector, statuses, etc.).

### Proposal Initiation & Submission Process

I2S 221

Submitted 3/10/2022

**STEP 1: Intent to Submit**

**STEP 2: PROPOSAL INTAKE FORM**

RECOMMENDED STEPS

## General site metrics

## 2021 Site Metrics

- Total Unique Users: 9,268
- Total Sessions: 27,328
- Sessions/User: 2.95
- Total Page Views: 81,526
- Page Views/Session: 2.98

Note: myRESEARCHpath is a publicly-facing website; user demographic data not available

## Most accessed topic pages

Topic Page	Lifecycle Stage + Total Page Views						
	Generate Idea	Plan & Refine Project	Develop & Submit Proposal	Initiate Project	Conduct & Oversee Project	Manage Award & Finances	Disseminate & Close Out
Disclose activities (Other Support / Current and Pending)			3,970				
Animal welfare (IACUC/OAWA)					3,919		
Conduct research with animals					2,738		
Proposal review and submission			1,990				
NIH research grants (R series)			1,022				

## Most searched terms\*

- Other Support (1,430 searches)
- No-cost extensions (296 searches)
- NIH (238 searches)
- Biosketch (221 searches)
- Intent to Submit (215 searches)
- PI Status (164 searches)

\*Includes variations of the term (ex: Other Support includes OS, OSCP, etc.)

# RECENT RELEASES

## Technical Enhancements

- Iconography to indicate when pages/resources are newly added or updated
- Ability to share results from interactive features
- Additional functionality for displaying information

The screenshot shows a navigation menu for the 'Develop and Submit Proposal' section. It features a circular icon with the number '3' and a red bar. The menu items are: 'Proposal deadlines and Intent to Submit (I2S)' with a 'NEW' tag; 'Prepare for the proposal process'; '+ Write and refine the proposal' with '9 SUBTOPICS'; '+ Develop the budget and justification' with '3 SUBTOPICS'; '- Disclose activities (Other Support/Current and Pending)' with an 'UPDATED' tag. Under this last item are three sub-items: 'NSF Current and Pending' with a 'NEW' tag, 'DoD Previous/Current/Pending Support' with a 'NEW' tag, and 'NIH Other Support' with a 'NEW' tag. The final two items are 'Proposal review and submission' and 'Prepare for post-submission and Just-in-Time'.

## New Content

- DoD Congressionally Directed Medical Research Program (CDMRP) funding proposal toolkits
- Facilities and Resources repository

# WORK IN-PROGRESS

## Technical Enhancements

- Additional filters in “Customize your Path” to remove unrelated topic pages and resources based on project inclusions

## New Content

- International research topic page

## Ongoing Content Maintenance

### 2021 Navigator Tickets by School

# *my*RESEARCH suite Steering Committee

Governance group made up of institutional leaders to guide development priorities, approve implementation plans, assist with resolution and escalation of issues limiting functionality/adoption, and champion the application as institutional opportunities arise.

## MEMBERS

**Rebecca Brouwer**

*Director, Duke Office of Research Initiatives*

**Christopher Freel, Ph.D.**

*Associate Vice President for Research*

**Moria Montalbano**

*Associate Dean, Space Management & Research Resources*

**Paula Morrison**

*Assistant Dean for Research Software Solutions*

**Damaris Murry**

*Director of Faculty Data Systems & Analysis*

**Geeta Swamy, MD**

*Associate Vice President for Research*

*Vice Dean for Scientific Integrity*

*Professor of Obstetrics and Gynecology*

**Laurianne Torres**

*Associate Dean for Research Administration*

## SERVICE OWNERS

**Derek Jones**

*Associate Director, Duke Office of Research Initiatives*

**Sunita Patil**

*Associate Director, Duke Office of Research Initiatives*

**Blake Perrault**

*IT Service Line Owner, Research Administration Applications, OASIS*

**Jamie Wylie**

*Associate Director, Duke Office of Research Initiatives*
